Dear Mr. Klees,

Re: Bill 123 – An Act to proclaim First Responders Day

CAA South Central Ontario is pleased to support your efforts to mark May 1 as First Responders Day in Ontario.

First responders play a pivotal role in our communities each day, providing support and protecting citizens at the outset of an emergency. The skills that first responders possess can often make the difference between life and death in critical situations.

The Canadian Automobile Association (CAA) is a not-for-profit auto club offering automotive care and roadside services, insurance, and travel, and has been advocating on behalf of our Members since 1903. As part of our ongoing efforts, we are committed to working with all levels of government to ensure that our roads are safe. The safety of motorists is of paramount concern to everyone, and we support your efforts to recognize first responders for their contributions.

If I can provide any additional assistance, please do not hesitate to call

Sincerely,

A handwritten signature in black ink that reads 'Elliott Silverstein'.
